### Description

The BP-3T manual 3 tonne bench press is so versatile it does the work of several machines all in one: Punching, Shearing, Corner Rounding, 90° Notching, Louvre Forming and Bending when using the optional form dies.

It features a 300mm throat depth with 75mm stroke to accomplish a variety of tasks on much larger panels in the automotive industry.

This press is constructed from heavy duty steel plate to reduce frame flex when working at maximum capacity and the ram is fitted with a bronze bush for continuous long life.

### Features

- 3 tonne capacity
- 300mm throat depth x 75mm ram stroke
- Ø50mm pressing ram with rack & pinion
- Ram slide with bronze bush and lubrication points for long life
