ORDER CODE:	S076
MODEL:	XDP905
Type:	Tapping Fluid
Size:	500ml

### Description

XDP-905 FLUID is the ultimate performer in high pressure cutting and tapping applications especially on ferrous and non ferrous metals. XDP-905 Fluid is the latest development in Extreme pressure cutting and tapping oils. XDP-905 provides exceptional film strength, adhesion, extreme pressure properties, high speed applications, highest resistance to water and corrosion, and is ideal in deep boring and drilling applications

### Features

- XDP-905 fluid 500ml
- Formulated for Drilling, Tapping, Cutting
- Increases tool life up to 5 times
- Protects against corrosion
- Reduces wear and friction
- Offers high residual lubrication
- Guaranteed performance even in extreme temperatures
- Unique, easy, mess-free application brush
- Aluminium safe
- 100% made in Australia
